JAVASCRIPT

## Languages

- HINDI
- ENGLISH

## Projects

### E-commerce website

Developed a fully functional e-commerce website aimed at providing users with a seamless online shopping experience. The project involved creating a dynamic platform for browsing, purchasing, and managing products with a focus on user-friendly design and robust functionality.

### Personal Portfolio

Created a personal portfolio website to present my professional background, skills, and projects. The website serves as an online resume, providing a platform for potential employers and collaborators to view my work.
